Online Teaching Tools

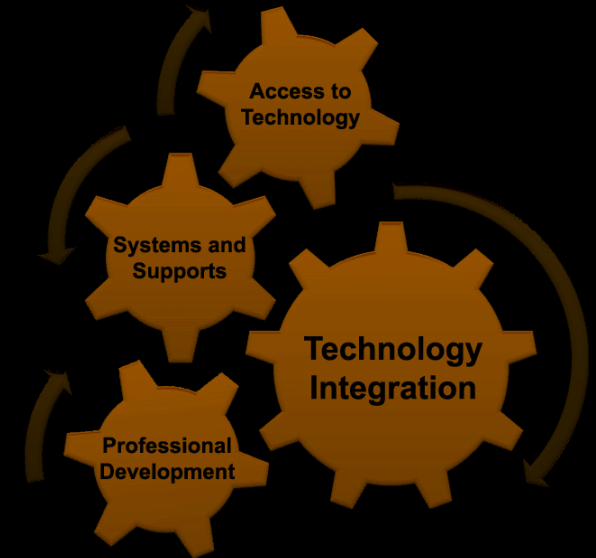

No Need For Textbooks

Digital Technology Modal

Technology & Learning

- ✓ Support for 21st century skills
- ✓ Planning effective learning experiences
- ✓ Exploring learning tools and digital strategies
- ✓ Based on National Standards for Educational Technology

Course Expectations

- ✓ Study online modules
- ✓ Participate in online discussions
- ✓ Complete Assignments
- ✓ Experiment with Web 2.0 tools
- ✓ Interact with classmates

Recommendations for Success

- ✓ Read all instructions carefully
- ✓ Be methodical and organized
- ✓ Check University of Hawaii email on a daily basis
- ✓ When possible, work ahead of class assignments
- ✓ Participate in class discussions (more than once a week)

Explore **Laulima**

Every course is different

- ✓ Send an email or Skype Instructor (or TAs)
- ✓ Raise questions during online class sessions
- ✓ Post questions under the Laulima discussion thread
- ✓ Seek technical assistance from ITS help desk

Blackboard
collaborate™

- ✓ Blackboard online conferencing session
- ✓ Check email for web link to online meeting
- ✓ Recording of session will be provided if you miss it

Looking Forward

See You Online!
